

## Bedale, Aiskew and Leeming Bar Bypass, North Yorkshire

In 2015 Wills Bros Ltd were appointed by North Yorkshire County-Council as the design and build Contractor for the A684 Bedale, Aiskew and Leeming Bar Bypass, known as BALB. The project comprised of 4.8km of new single carriageway road, split approximately in half by the existing A1 (M).

Tracey Concrete supplied all the concrete drainage products to the Project.
