

Frome Valley Tunnel – South Gloucestershire – B&W Tunnelling LTD

Wessex Water undertook a £15 million tunnelling procedure beneath the motorway from Bradley Stoke as part of the Frome Valley Relief Sewer Scheme.

B&W Tunnelling LTD won the contract for the job and worked alongside contractors Lewis for the duration.

Frome Valley Tunnel – South Gloucestershire – B&W Tunnelling LTD

Tracey Concrete supplied the precast tunnelling materials to this project. Tracey Concrete were able to meet the project needs with all of the DN1800mm jacking pipes supplied. Project video here: <https://www.youtube.com/watch?v=Ga5SueSpbWU>
